

## Icelandic Adventure Incentive

### **An action-packed adventure incentive trip designed for your best team players**

If your team is looking for some real adrenaline adventure, our Icelandic Adventure experience will tick all the boxes. Trips are tailored to your requirements, but are ideal for 3 nights either mid-week or over a long weekend. Adventurers fly into Reykjavik late afternoon and check-in to their 4 star hotel. After welcome drinks, it's time to head off for a first class dinner cruise in search of the Northern Lights.

We create two days of activities, designed to meet your requirements. Winter itineraries include snow scooter tours to the Golden Glacier, exploring a natural ice cave, Black Beach safaris as well as a jeep excursion and hiking at the Thorsmork Volcano. Summer activities include quad bike tours, hiking in the glaciers and unforgettable trips to the infamous Blue Lagoon.

Let us help you tailor the perfect adventure incentive for your organisation.
