

Corporate Days Out

Entertain your clients or reward your team with incredible days out

Treat your clients or employees to a memorable and special day out the office. Great days out with all the trimmings can be built around many themes including:

- Horse Racing
- Motor Racing
- Classic Car Festivals
- Power Boat Racing
- Classic Train Journeys

The day begins with a limousine collecting guests from their front door and taking them in style to one of many iconic venues such as the Epsom Downs Racecourse, Aintree, Exeter or Silverstone.

Guests enjoy full VIP treatment at the races, with champagne and refreshments. Tickets include premium seats with top views of the action, plus we can arrange special access passes. A delicious lunch and a glorious afternoon tea will be served before returning home after the perfect day out.

Our team will create exceptional race day experiences to meet your budget. We also offer many other memorable 'Days Out' themes, including power boating in the Solent or a day on board the iconic British Pullman train.
